### In Parliament

Ottawa: During the discussion on the vote of \$40,000 to continue the Grain Enquiry begun last year, should there be a demand for it, Mr. Crevier made a statement setting forth his own position, and that of his company on the matter. So many attempts have been made to damage him in the eyes of the public through misrepresenting his attitude, that the essential portions of his statement are herewith reproduced.

"There was no useful work that the royal grain inquiry, known as the Eyndham Commission, undertook to do that could not have been done by the Board of Grain Commissioners in the first instance. The Board of Grain Commissioners is expressly clothed under the law with all the powers of inquiry that are vested under art one of the Enquiry Act, I have stated in Winnipeg, and I want you and I want you to know that the main purpose of the Grain Inquiry Commission was political rather than to seek remedies for abuses in the grain business.

There is another matter which I wish to make allusion to, because I find it throughout eastern Canada particularly there is a very widespread misapprehension of the conditions existing at the terminal elevators, and especially in the elevator controlled by the company with which I have been associated. The Royal Grain Inquiry Commission early last June, when it was sitting in the province of Saskatchewan, by telegram authorized its secretary to hold a special session at Fort William, which was in the nature of a secret session. That session was held as was disclosed in evidence brought out in the injunction proceedings in Winnipeg, for the purpose of investigating certain charges against the Grain Growers' administration of their terminal elevator. The inquiry was held in camera, no notice was given to the parties concerned, and very serious charges were leveled against the United Grain Growers for what had happened eight years previous. I repeat that this evidence was received and published in the newspapers throughout the country without our having any chance to appear at the proceedings and question the witness who gave that evidence. Some serious reflections were made on that Company. It was the most unfair and unjust inquiry under the guise of a commission that had ever taken place in the Dominion. I wish to place these facts before the House and the country in order that they may appreciate what really took place.

The impression exists and it was fostered in every possible way during the last election campaign, that the United Grain Growers were afraid of an inquiry into their administration; in a word, that there was something dark and mysterious and sinister that they wished to conceal. Within a few weeks of the time that that inquiry took place at Fort William we asked the Board of Grain Commissioners—who have practically all the powers that the Royal Grain Enquiry Commission had to investigate as thoroughly and completely as they could all the allegations that had been made against the company. That was not done, although we repeated

## Chauvin Baseball

### Team Brings Home Wainwright Shield

Was it a dream when the Chauvin players claimed early in the season that they were out for the Creamery Shield?

All ye unbelievers, cast your eyes upwards at the window in the rotunda of the hotel, which contains the coveted trophy. Julius Caesar in his famous message, "I came, I saw, I conquered," ably summed up the situation as regards the expedition of the local team to the Edgerton tournament on Wednesday last. Five teams were entered on the first draw, Chauvin drew Ribstone and defeated them by a score of 10-4. The next game was between Wainwright and Green-shields, the latter winning by a score of 7-6. Both teams played excellent ball but Green-shields had the edge of the game. Then Chauvin collided with Edgerton. The sister town thinking to take the game without exertion put in a sub pitcher, holding Spinakis in reserve. Unfortunately Chauvin ran away with both the sub and the regular when introduced, winning handsily by a score of 7-2.

Then came the crucial moment—the struggle between Chauvin and Green-shields for first honors. The sentiments of the crowd were divided. Most thought Green-shields the stronger team and yet a small minority held that Chauvin was better balanced, had more experienced players, and were more confident. The game was the slugfest from the opening session. It was such a grueling balling and fielding contest as keeps a crowd on its toes the whole way. Chauvin got away to a two run lead early and not only maintained it, but added to it in successive innings. They made two home runs, numerous triples and goodly number of doubles, and then, all off the best pitchers along the line. Someone dubbed the locals "hitting fools," and they certainly deserved the premier word of the title. Green-shields also hit hard and often but not so consistently. Their one real chance came in the eighth frame when the Wainwright pitcher was forced to quit, absolutely exhausted, but the darkness shut them out; the game ending 17-11 in favor of Chauvin.

Our genial hotel keeper had promised everyone of the locals who made a circuit about one home. When the reckoning came he paid three with a smile. Manager Freeman was most smile-like his visage became so distorted that the boys could not recognize him. Here's hoping he may retain the same striking lineaments after the Wainwright Sports.

## Twelve Foot Grader Being Demonstrated

A large grader weighing 8500 lbs and equipped with a 12 foot blade is being demonstrated on the road running east and west from Dick Edwards farm. This is being driven by an engine. We are given to understand that the Ribstone municipality will purchase this grader if it is found satisfactory.

As the twig is bent, the tree will grow

## Bank Of Montreal

### June Crop Report

The following is the crop report issued by the Bank of Montreal under date of June 22nd.

In general the grain crops on the prairies are making good progress, but every district reports that rain is needed within the next ten days. Heavy rains in Ontario, Quebec and the Maritime Provinces have given the crops an excellent start and ensured heavy hay harvest. British Columbia crops are suffering from an unusually dry spell.

#### PRAIRIE PROVINCES

Conditions generally very fair to good; rain needed throughout, but especially in Alberta.

Calgary District:—Dry weather and hot winds prevailed first half of month followed by rain, though not sufficient; no hail losses; pasture short, and hay prospects not promising. Edmonton District: Frost 6th June did some damage to grain and garden truck; wheat well up; warm weather has been followed by needed showers; no serious damage from grasshoppers. Lethbridge district: Rain badly needed Noford and Bow Island; some damage from cutworms and grasshoppers vicinity Macleod. Dry promises fair yield; pasture good Saskatchewan District: Grain in good condition; local showers in most districts; general rains needed, although crops not yet suffering from lack of moisture; no damage from insects. Regina district: Wheat on summer-fall doing well, but moisture insufficient for grain seeded late on light soil and stubble, heavy rains needed, grasshoppers are being kept in check.

Winnipeg District: Crops making good progress, wheat in shot blade in early districts, rain needed, dry is a large crop, practically no damage from frost, hail or pests, pasture in good condition.

#### PROVINCE OF QUEBEC

Rain has been heavy in most sections, and in some cases low-lying lands have suffered. All crops are looking well, but warm weather is needed. Prospects for a good hay crop are now excellent, green pasture generally in good condition.

#### PROVINCE OF ONTARIO

Fall wheat somewhat uneven, but with continued favourable weather a fair average crop should be harvested. Spring grains and peas promise well. Hay uniformly satisfactory except at a few points in the Georgian Bay district. Sweet clover and alfalfa have been cut in some districts, pasture is excellent, moisture abundant. Prospects all over province are for a better than average all round crop.

#### MARITIME PROVINCES

Recent rains have given all crops a good start, general conditions favourable, weather now needed. Apple crop expected to be considerably less than last year owing to the heavy droppings, but it will be two weeks before correct estimates can be made.

#### BRITISH COLUMBIA

Weather very hot and dry, rain is badly needed; field crops suffering from lack of moisture, in Okanagan irrigation is general; June drop in apples heavy, too early to estimate crop; large fruits in Fraser valley promise well. Hops indicate 100 per cent crop; crops and fruit on Vancouver Island below average, due to dry weather, pasture generally fine.

## Edgerton Sports

### Day Was One Of The Best Ever Held

Favored with ideal summer weather, the annual Edgerton Sports Day held on July 31st proved an unequalled success. A fine crowd was present from the district itself, while the neighboring towns sent large contingents of visitors to root for their teams. Chauvin annexed first money money by beating Green-shields in an exciting final while, earlier in the day, Green-shields and Wainwright gave the crowd lots of excitement in a hard battle which went two extra innings before the divisional point was conquered by their small neighbor to the East. In the evening the crowd packed the Hall and waxed enthusiastic over the presentation of two one-act farces, "The Burglar" put on by the Girls Club and "The Mere Man" presented by the Womens Institute.

An enjoyable dance concluded the day.

On Friday evening, a winding up meeting of the committee was held when a very satisfactory report was submitted by the Secretary, Mr. R. V. Campbell. It was the feeling of the meeting that the committee owed a real debt of gratitude to Mr. Norman Davidson, chairman of the Refreshments Committee. It was his hard work and wonderful organization that made the success this year. The meeting passed him an enthusiastic vote of thanks. Votes of thanks were also tendered to the Secretary, the Girls Club, the Womens Institute, and the ladies who helped with the refreshments, while the Wainwright Band came in for compliments for the enjoyable program which they rendered.

It was decided that the surplus, as in the past would be devoted to Community purposes and the Sports Committee will make half the payment due this year by the Agricultural Society on the Fair and Sports ground and will pay half the cost of fencing the same. They will also try for a brick chimney on the curling and Skating rink and will make a payment on the rink debt. In conclusion it was decided that a committee would at once prepare a memorandum from this years experience with the object of making next year's celebration a distinct advance upon this one.

## Crop Notes

Local crop conditions at the time of writing (Monday afternoon) would be greatly improved by a good general rain throughout the entire district. Several showers, some of them heavy, have fallen during the past week; but they have been entirely local in their nature, watering only a few sections whilst other sections are needing a good rain. The wheat generally is still coming along in good shape, but oats and rye are not so promising. Unless early rains fall there will be a considerable decrease in the area of new breaking, the land being too dry for good work.

A few Nelsons Chocolates, 1 lb. boxes left, the price is still 45c per lb. package. This is a real bargain. The Chauvin Pharmacy.

## Fined \$200 For Illegal Selling Of Liquor

R. Morrison, of Winter, was charged before J. W. Coe, J.P., on Friday last with illegally selling liquor. Provincial Police Kingston had charge of the case, and Morrison was fined the sum of \$200.00.

The spirit of delight often comes on small wings.

## RURAL MUNICIPAL DISTRICT OF RIBSTONE, No. 442

PUBLIC NOTICE IS HEREBY GIVEN that there has been introduced in the Council of the Municipal District of Ribstone No. 421, the following by-law, and further that unless within thirty days from the publication of this notice at least resident electors of the Municipality petition the Council will proceed to pass the same.

(Signed) T. H. SAUL, Secretary

### BY LAW NO. 15

By-law of the Municipal District of Ribstone No. 421. Respecting the Prohibition of Animals from running at large within the Municipal District of Ribstone No. 421.

Under the authority and subject to the provisions of The Domestic Animals Act, the Council of the Municipal District of Ribstone No. 421 enacts as follows:—

Domestic Animals shall be prohibited from running at large in accordance with the following schedule:

Area of Prohibition from Running at Large	Period of Prohibition from Running at Large	Class of Animal
Whole Municipality	Entire Year	1. Horses
Whole Municipality	Entire Year	2. Mules
Whole Municipality	Entire Year	3. Asses
Whole Municipality	Entire Year	4. Cattle
Whole Municipality	Entire Year	5. Goats
Whole Municipality	Entire Year	6. Sheep

Notwithstanding anything herein contained, any resident of the said Municipal District of Ribstone No. 421 may allow 100 head of cattle or horses owned by him to run at large for every 160 acres of land owned by him within the said Municipal District.

Entire animals are prohibited from running at large at any time, except as may be provided from time to time by by-law of the Municipality. By-law No. 11 of the Municipality, District of Ribstone No. 421 is hereby repealed.

Certified to be a true copy of proposed by-law No. 15.

T. H. SAUL, Secretary-Treasurer  
M.D. Ribstone, No. 421.

(Continued from front page)

our request several times. We took the opportunity to clear up as far as we were able those allegations, and speaking for that responsible company that has been doing business and enjoys a good reputation, I hope that if an inquiry is made by the minister it will cover the particular transactions that I have referred to, because there is no foundation in fact for the allegations which were made at this particular sitting. And, let me say again that secretly arranged session was one of the most able episodes that has occurred in any judicial inquiry in the history of this country.

My hon. friend Sir Henry Drayton, says that I was poorly advised when the injunction proceedings were taken to restrain the commission; when

the lid was put on. Why were the injunction proceedings taken? If my hon. friend were in similar circumstances and he believed and knew from all the facts of the case, as far as the facts of the case could inform him, that he could not get a fair judgement or a fair show from such a commission, what would he do? He would do precisely what was done in that case, and the best evidence of the fact that the United Grain Growers did not wish to put the lid on, but wished to have the full facts investigated, lies in this, that they asked the Board of Grain Commissioners who had all the powers necessary in the matter, to make a most thorough inquiry into the whole proceedings at Fort William. Instead of any desire to put on the lid, there was the fullest possible desire to have the whole thing exposed to the light of day in a fair manner, but in any prejudiced manner. I do not wish to bury any inquiry. As far as I personally am concerned, and so far as to farmers' companies are concerned, they court the fullest possible inquiry.

During the discussion on the railway estimates, Mr. Knox brought up the completing of the Hudson's Bay Railway, pointing out that as a large amount of money had already been spent on this work, and as only a comparatively small amount would be required to complete it, the necessary funds should be provided. In this connection it was remarked that \$3,000,000 or one-half of the amount it was proposed to spend on the Welland Canal this year, might well be used for this purpose. Strong support was also given to the project by other members of the group.

The building of necessary branch lines in the prairie provinces and British Columbia was also advocated.

### TACT

It was a soft and balmy spring night. The moon was at its zenith, casting a mellow radiance upon the green sward, as the ardent swain passionately declared his love.

"Darling," he cried in tones of vibrant adoration, "I will lay my fortune beside your feet!"

"Oh, but your fortune is not a very large one!" cooed the damsel

"No," he replied, slipping his arm round her waist, "but it will look large when your tiny feet."

He won her.

The shoe (to the stocking): "I'll rub a hole in you."

The stocking (to the shoe): "I'll de darned if you do!"

Hayes: "I'm going to get a separation. My wife hasn't spoken to me for six months."

Mayes: "Better be careful. You'll never get another wife like that."

## Fairs Circuit

Dates for the principal summer fairs in Western Canada this year have been decided on as follows:—  
Calgary, June 30 to July 7; Edmonton, July 8 to 15; Saskatoon, July 17 to 22; Brandon, July 24 to 29; Regina, July 31 to August 5. A good time to visit the country and make the circuit by the Canadian National Railways.

In all the novels written by Jane Austen, there is not a single lover's kiss mentioned.

Assorted Cookies, Doughnuts, Muffins and Pies for sale every day at Chauvin Bakery.

## Ribstone Ladies Aid

(Held over from the last issue)

The entertainment given by the Ribstone Ladies Aid on the evening of June 8th was a great success. The hall was filled to the doors. At 8.30 the president, Mrs. R. Morrison took the chair and in a few words gave everybody a hearty welcome.

O Canada was sung by all; after which the president called on Rev. W. Mitchellson for a five minute address. Mr. Mitchellson spoke of what we were working for. "Building a church" How glad we would all be to have one of our own like our friends and neighbors over the way. We have all the one object in view, all striving for the one great end. While we go by different names, we are children of the one Father. He then spoke on the dreadful disease that was sweeping over our little town. Matrimonial fever, trusting we would get it checked. We all hope that Mr. Mitchellson will not get it.

Song—The Choir.  
Reading—Mrs. Dobson  
Duet—Miss Dornay and Mr. Dell.  
Recitation—Mrs. R. Morrison.  
Musical Selection—Mrs. Pound, the Misses Price and Mr. Pettit.  
Readings—Miss Jennie Price.  
The president was then asked to show her family album, with her twelve grand-children. Her sons and daughters had married into all nations.

1st picture—Her daughter's child, "an Indian" dressed in full Indian costume.—Miss Hilde Price.

2nd—Her youngest grandchild, a schoolgirl—Gladys Mills.

3rd—Her son's child. Her son runs a big dairy farm, daughter a fine milkmaid with stool and pail waiting for the cows.—Mrs. Crittenden.

4th.—Her daughter had married a Quaker.—Her child a Quaker maid.—Mrs. Etsoin.

5th.—Another daughter had married a Gipsy.—Her child a gipsy girl.—Miss Dornay.

6th.—Another daughter had married an Irishman.—Her daughter an Irish girl.—Mrs. Dell.

1th.—Her son's boy, always a good lad, was a preacher.—Mr. Crittenden.

8th.—Another son's child was a sailor.—Mr. Dobson.

9th.—Another grand-child had been a Red Cross nurse.—Mrs. Dobson.

Another son had married a Japanese girl—His daughter, jolly little Jap.—Miss Jennie Price.

11th.—Another daughter had married a Scotchman.—Her child, a bonny Scotch lassie.

12th.—Her eldest grand-child "the family puzzle" a colored mammy.—Mrs. Pound.

The family group then sang "The Maple Leaf."

All characters were dressed in costumes and suitable songs were sung as each picture was shown.

The "Family Album" was truly a great success.

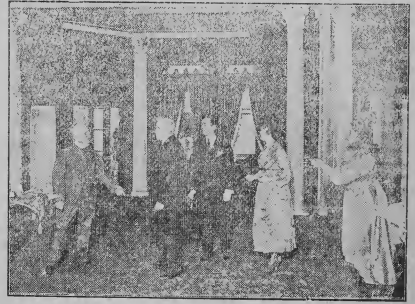

Supper was then served, after which contests were indulged in. Mrs. Joe White being the lucky winner in the Musical Contest.

Miss Hilda Price won the prize in the Picture Contest.

Much merriment was caused over the Hat-trimming contest by the men, trimming contest by the men. Mr. Mr. Dell being the lucky winner.

"God Save to King" closed a very

## Editorial Comment

## "STILLBORN" EDITORIALS

Searching for an editorial topic each week—a topic or live local interest—is not an easy task. Of course if we could hold a conversation with each and every one of our readers it might be possible to find more than sufficient. Strangely, by some perversity of nature, the best thoughts of our readers cannot always find a way into print. When you come to town you are so busy with other details of absolute necessity, that the bright idea has been forced into the background. You are not able to communicate it to the editor—and, he in turn cannot communicate it to his readers. These are the best of all editorials too frequently "stillborn."

## A MODERATE VIEWPOINT

"Roads" was a subject recently suggested. Our friend was not extravagant in his demand; he merely wished that the money be spent to the best advantage. This according to his idea was taking first care of the most frequented, or main roads, to town. (He was not a townsman). He protested against little used cross roads being fixed for they were often only used by a small number and for a short distance; whereas the main arteries of traffic were used by the greater number.

## A REASONABLE VIEWPOINT

Another man speaking on the subject urged, as he had done for years, that the municipality should raise a sufficiently large debenture to con-

struct these main arteries. Employing a skilled road engineer and contract labor to be paid for only as the stipulations of the contract were duly filled. The financial burden being borne not alone by the present rate-payers but also by those coming later who would have to contribute their share.

## OUR LITTLE ADS DO BIG WORK

## POOR ROADS RETARD SETTLEMENT

A speaker at a recent good roads conference stated that the districts having good roads were the ones receiving an influx of new settlers. In this connection we remark that it is quite noticeable how few new settlers we have received in the past, say, two years. If this speaker was correct—and we believe he was—we may look at our poor roads and there find the reason we are getting such a very small influx of new settlers.

The values of our real estate are not rising in proportion to their true worth—the comparative value with other western Canadian lands of equal and like productive capacity. Can you blame the newcomers seeking a farm home if after riding through other districts with a higher standard of roads he becomes discouraged after driving a day or so over our roads?

## YOU PAY EACH WAY

The sooner we learn that poor roads cost each of us real hard cash each and every year—we already know good roads cost money—we learn to strike the equation of profitable expenditure, the sooner we will get rid of the present unprofitable handicaps. "Good roads" or "bad roads"—both have to be paid for.

"Good glasses if you need them; good advice if you don't." Consult C. C. McKechnie, Graduate Optician.

## Local Notes Of Interest

Mr. F. Holbrook has purchased a new McLaughlin car.

Rev. and Mrs. Miller returned last week from their visit to Winnipeg. Bessie Swan accompanied them back and is now staying with Mr. and Mrs. Gifford.

You will be able to purchase reduced priced fares to Calgary and Edmonton during fair times.

Mrs. D'Albertanson Sr. is visiting Mr. and Mrs. K. W. Coe.

## SPIRELLA CORSETS

The "Spirella" Line of Corsets of the very highest class for Ladies, Misses, Girls and small children. Perfect fit and Correct Styles guaranteed. Proper attention is devoted to correcting the figure; also to the requirements of growing children.

The "Spirella" line includes BRASSIERES, CORSET ACCESSORIES, CHILD'S Ready-to-wear WAISTS, and Superior RUBBER GOODS.

## First Official Visit of the

Rt. Rev. G. E. Lloyd,  
M. A., D. D.

Bishop of Saskatchewan

to the Parish of Edgerton, Alta.

SUNDAY, JULY 9th 1922

11 a.m., DIVINE SERVICE, SLIGO SCHOOL

3 p.m., DIVINE SERVICE, CHAUTAUQUA TENT, EDGERTON  
The Masonic Lodge will attend

7:30 p.m., CONFIRMATION SERVICE, EDGERTON CHURCH

MONDAY, JULY 10th 1922

7:30 p.m., DIVINE SERVICE, GILT EDGE ORANGE HALL, followed by Social Hour. The Loyal Orange Lodge will attend.

The new Anglican Bishop of Saskatchewan, Dr. George Exton Lloyd, whose consecration is just announced, is no stranger to his diocese. Historically this will be his third march to Saskatchewan. The first was in 1885, when a theological student at Wycliffe College, Toronto, he tramped against Louis Riel with the other boys of the Queens Own Rifles under Col. Otter from Swift Current to the relief of Battleford. He was severely wounded at the battle of Cut Knife Creek rescuing three troopers from the Indians. The military idea of a forward-marching organization gripped him hard, and after his ordination he became known among his friends as the "soldier parson."

He spent some time in parish work and religious journalism, and in 1900 he went to England as an organizer for the Colonial and Continental Church Society. In 1903 he was picked by the society for the special job of chaplain for the Britannia colony—a body of two thousand English people, who were coming out in one

party to found a colony in north-western Saskatchewan.

The leader of the party was Mr. Isaac Barr, who, because of his grandiloquent assertion, that this was "the greatest hegira since Moses led the children of Israel across the Red Sea," was nicknamed "Moses" Barr. In those days the railway did not go nearer Battleford than Saskatoon, a distance of ninety miles, and the centre of the site selected for the colony lay another ninety miles west of Battleford. There was so much dissatisfaction with Barr's management that the colonists deposed him at Saskatoon, and the two thousand downhearted and homesick immigrants agreed to lead Chaplain Lloyd to be their Joshua and then them into the promised land.

They did not know it at the time, but if they had searched North America they could not have found a better man for the task. For the second time Mr. Lloyd marched on Battleford—only this time he was leader—and then he led his motley army of wagons and prairie schooners, drawn by oxen

and horses, out ninety miles farther to the colony location.

For three or four strenuous years he was chaplain, doctor, lawyer, political agent and fairly godmother generally to the Britannia colony, and the colony honored him in many ways, not the least by naming their capital city after him—Lloydminster.

When the colony had found its "prairie legs" and could stand alone, Dr. Newnam, the Bishop of Saskatchewan, appointed Mr. Lloyd arch-deacon, and set him the task of finding teachers and preachers for a diocese that was starting at that time a new town every morning.

The war brought new problems, but Dr. Lloyd met these and still kept hammering away on getting men for the field, a work which sometimes seemed to necessitate his being on both sides of the Atlantic at once. By both sides of the retirement of Bishop Newnam, he has now been called to make another march into Saskatchewan, this time as bishop. It promises to be the greatest campaign of this veteran campaigner.

EXCURSION RATES ON ALL RAILWAYS

A. R. MCLENNAN, Pres

W. J. STARK, Mgr.

We are sorry to report that Jack Newstead had the misfortune to have his stable burnt down. A quantity of harness was destroyed, but fortunately no horses were hurt.

We are pleased to note that a number of special trains have passed through Chauvin recently. May the number of these increase and our National railroad become profitable.

Those attending the S. Jean Baptiste picnic Monday had a real good time. We are holding our report of this event until next week, it being beyond our power to adequately report same in this issue.

Salt Lake is receiving its share of visitors this last week. Camping is quite popular.

A. Lavold has purchased the Hereford Bull "Rudolph Fairfax" from Garfield Lawson.

The council of the Municipal District of Ribstone will met at Chauvin at 1.30 p.m., Friday afternoon, June 30th.

What is the matter with our local painters? No one submitted a tender for painting the Butzeville school.

From several sources we are hearing of considerable interest being taken in preparing for the Chauvin fair. There is likely to be a most improved number in numbers and quality of the exhibits. Get your exhibit ready.

We are asked to announce that a Strawberry Supper and dance will be held at the Koros schoolhouse, Friday June 30th. The Koros U. F. A. would like to see a large crowd out to this social event. To begin at 8 o'clock.

There was a general exodus from Chauvin last Wednesday, there being choice of three picnics. Provost, Edgerton and Peim each were patronized by Chauvin folk. The pity of it all being that only a relatively small number could represent Chauvin at each of these points.

It was fortunate however, that a few folk remained at home Wednesday—or there might have been but little of the home town remaining. Very shortly after dinner hour some packing cases stacked against the stable at the rear of the Alberta Restaurant

were found to be in flames. Alarm being given two extinguishers were rushed to the scene and a bucket brigade formed, whilst others fetched out the two chemical outfits from the firehall. Despite a hot dry wind blowing at the time, danger had been averted at the time the engines arrived. The cause of this outbreak has not been investigated, but it was freely stated at the time to have resulted from children playing with matches.

There will be a meeting of the committee in charge of the Peace Day celebration tonight, they have a very interesting program of events being lined up. The public will do well to set aside July 19th for attending this event and having a splendid day of sport and enjoyment.

True to tradition, a heavy rainfall descended on Chauvin on the occasion of the St Jean Baptiste celebration. After giving an ample warning by the heavy clouds gathering in the north-west the storm gave a good drenching to those who had boldly tarried to carry on the program. It is safe, however, to say that they were not sorry to see the rain falling on the fields and growing grain.

The Chauvin Pharmacy is showing a very elite line of beads at prices within reach of everybody. These are the very latest wares, having come direct from large importers in Toronto. Prices from 75c to \$5.00. See them in The Drug Store Window.

Magnus Lade, one of our old-time Dina settlers, is paying a visit to his friends and neighbours this week.

J. A. Varty has returned for a one week visit to the district.

The feast days of Corpus Christi and the Sacred Heart were observed together by the congregation of the Church of the Sacred Heart last Sunday morning. A processional being formed and the entire congregation paraded to the altar which was set up at J. Colombe's front garden. The children carrying garlands, strewn flowers in the path of the procession.

**Poll Abandoned:  
Semple Is Elected**

The poll in division 1 of the Municipal District of Ribstone, No. 421 to be held last Friday was abandoned. It having been found that the nomination of Frank Collette was out of order; his name not appearing on the list of ratepayers, the lands being in the names of his sons.

James Semple accordingly becomes the councillor for this division.

## Joint Ribstone Schools Picnic Was Great Success

With characteristic zeal the teachers of the two Ribstone school went over the top with a splendid picnic at Ribstone Park Friday last. Despite the showers the attendance was a record one, over 200 being present.

A happy spirit of fun and enjoyment pervaded the whole of the proceedings, and many of the contests provoked much mirth, in fact many sides were aching with laughter. The children and adults alike keenly strove for the prizes in the athletic events. A baseball match between New and Old Ribstone school began at 4.30, when Jack Crittenden who had tempted the fates by acting umpire called "Play Ball." New took the field and for a start Miss Clifford pulled out the pitchers choicest offering and rambled to third, finishing with two in this innings. The succeeding innings were crammed with interest, the stellar work of the New pitcher Miss Donnelly and Henri Simard kept the score down. Miss Chisholm made a McLaughlin hit necessitating a long search for the ball. The two teams scored up almost equally boys and girls. The sixth innings brought the match to a conclusion 11-6 in favor of the Old school.

The basket ball honors were equal both Ribstone and Chauvin winning a game.

At five o'clock the bugle called the guests to supper. Fustle of 11 to 14 years of age served the hot tea and coffee, whilst the younger ones of 7 to 10 years served the eats. They are to be congratulated on the excellence of their service to the adults.

At 7 p.m., Chauvin met Ribstone in a baseball match. Up to half time both teams were playing good ball and then the home team score began to show figures, and with this streak of luck finished winners.

At 9.30 the Chauvin Orchestra struck up the waltz "Some Girls Do & Some Girls Don't" and 40 couples were soon on the floor to the delightful music. The orchestra gave the dancers no idle moments, and music continued till 4 a.m.

## School Attendance

A ratepayer of the Manitou School District was charged before J. W. Coe, J.P., on Friday last with neglecting to send his child to school. He was fined \$10.00 and costs.

## Wainwright Sports

Wainwright Sports Day will be held on Saturday, July 1st. Baseball tournament, and other athletic sports will be held. The band will be in attendance all through the day.

## Basket Ball

The Spectra on Monday evening last journeyed to Edinburg for one of the regular league fixtures. The northerners put up a hard fight but were unable to stop the visitors who won 12-10.

On Friday night two teams journeyed to Ribstone. The Chauvin team played Ribstone winning by a score of 16-6. Ribstone showed considerable improvement and will undoubtedly make the other teams step from now on.

The next game was between the High School Girls and the Teachers. The combination of girls proved the undoing of the teachers, the girls winning 12-8.

Kodaks and films same price here as in Toronto. Our Kodak stock is complete, ranging from \$2.50 to \$25.00. The Chauvin Pharmacy.

## Edgerton Prize Money Is Received

Edgerton has forwarded the prize money to Chauvin, and the same has been received by Manager Freeman, together with the following courteous letter:—

Edgerton, June 24th 1922  
Mr Freeman, Mgr.,  
Chauvin Baseball Club,  
Chauvin, Alta.

Dear Sir:  
Herewith please find our cheque for \$65, being first prize money in the Baseball Tournament. We extend our congratulations and trust that visitors from Chauvin enjoyed themselves in Edgerton on our Sports day. Truly  
R. V. CAMPBELL, Secy

## Manitou Lake Chautauqua

The time is nearing when we shall again be in the throes of Chautauqua, and after the success of last year, no fear need be entertained as to this years Chautauqua being even a bigger and better one than the last one. The programme is full of good things, and tickets are reported to be selling quickly. These tickets can be had from any of the Guarantors, and if purchased before the day can be had for the modest sum of \$2.50. This

includes the whole series of eight performances. All the committee are hard at work, and no stone is being left unturned that will add to the smooth working of the Chautauqua. Don't forget the dates July 7, 8, 10th, and 11th, and be sure to get your tickets in plenty of time for the opening performances.

## Fram Grain Growers Successful Picnic

This eagerly awaited picnic took place on Wednesday last and proved a complete success in all ways. From the early morning members of the committee were busy making their final arrangements.

The crowd was a good one, and the badge sellers were kept continually on the move. The junior baseball competition between Airle and Battle Hill resulted in the first named team taking the prize money. The sports for the young people followed, and in the capable hands of Messadmes Scholin, Coe, Lavold, and Mr. S. Uhis. The numerous events took place according to schedule, and so numerous were the events that it was impossible to keep a complete list of the winners. The senior Baseball competition proved to be a three cornered affair. The first game between Airle and Prosperity ended in Prosperity having a very easy victory.

After a close finish with Battle Hill proved a more even affair, and it was only in the last innings that Prosperity could claim a 1 run win. The final score being 14-13. Owing to the late hour it was only found possible to stage a high jump for the seniors. Miller of Prosperity taking over a close finish with L. Swanson. The booth did a roaring business from first to last, and especially so during the bowery dance which took place in the evening. The picnic was a distinct success financially, and in every other way. Everyone worked hard and had the satisfaction of knowing that their efforts were not in vain.

The balance sheet is not yet complete but it is hoped that it will show a creditable surplus.

## Notes From North East

Dates to remember.

Manitou Lake Picnic—July 1st.  
Manitou Lake Chautauqua—July 7, 8, 10 and 11.

Now let everyone make these occasions their summer vacations. The grounds at Manitou Lake make an ideal place for an ideal holiday, and with all the extra good things thrown in should make this year the best and happiest holidays you ever spent.

Your comments re the crossing of grain fields by conveniences are very appropriate and should cause a census

tion of this pernicious practice.

You say, Mr. Editor, that the next move in the telephone question is up to me. Well, Sir, I would make the suggestion that the Manitou Lake Telephone Company hold a meeting, and invite either Councilor Keith as Mayor, or both to represent, and thoroughly discuss the matter. All these informal interviews and second-hand informations serve no useful purpose, and a round table conference is the only and best solution of this vexed question.

Again the necessity of regular and punctual attendance at school is brought to our attention by another prosecution under the school attendance act. It appears that it is only by touching some people's pockets that the importance of the education of our young people can be brought effectively to their notice.

Everything is in readiness for a record time on July 1st at the Lake grounds. The programme was fully announced last week, and everything will be done to assure the success and pleasure of this old time picnic. Let all make a point of being there and making this years Dominion Day the best yet.

## Death And Funeral Of Mr. George Fleishour

We regret to announce that the death took place, on Thursday evening, of George Fleishour, at the residence of Mr Max Graham.

Mr. Fleishour has, for the past 18 months been suffering from Bright's disease. During the last winter he was in hospital, but recovered sufficiently to again be home in spring. He seemed to progress favorably and the news of his death came as a distinct shock. The funeral took place Saturday afternoon at Brady cemetery

## MORTGAGE SALE OF FARM PROPERTY NEAR RIBSTONE, ALBERTA

PURSUANT to the directions of the Registrar and by virtue of the Powers of Sale provided by The Land Titles Act, under a certain mortgage which will be produced at the time of the sale. There will be offered for sale by public auction at the Post Office in the Village of Chauvin, in the Province of Alberta, on

**MONDAY THE 10th DAY OF JULY 1922**, at the hour of 2:00 o'clock in the afternoon, the following property, namely:

The North-west Quarter of Section Thirty-one (31), Township Forty-Two (42) Range Two (2). West of the Fourth Meridian.

containing by admeasurement One Hundred and Seventy-six (176) acres, more or less reserving unto His Majesty, His Successors and Assigns all mines and minerals.

Terms of sale to be twenty per cent. cash at time of the sale and the balance according to the terms and conditions to be made known at the time of sale upon application to the vendors solicitors.

The above property will be offered for sale subject to a sealed reserve bid and free from all encumbrances, save taxes for the present year.

The vendor is informed that the above property is situated about three and a half miles from the Village of Ribstone, and there are 125 acres of upland and 25 acres of low lying land and 25 acres of hay land. Ten acres of this is covered with small poplar and willow. There are 14 miles of two strand wire fencing. The soil is sandy loam with clay and gravel subsoil. The buildings consist of a frame barn. The property is watered by a well. There were 90 acres under cultivation on the property in 1921.

For further particulars and conditions of sale, apply to GRIESBACH, O'CONNOR & COMPANY, 10072 Jasper Avenue, Edmonton, Alberta.

Dated at Edmonton in the Province of Alberta, this 30th day of May A.D. 1922.

APPROVED:  
A. T. KINNAIRD,  
(Seal) Dep't. Registrar  
GRIESBACH, O'CONNOR & COMPANY.

## Ribstone Ladies Aid

(Continued from page three)

pleasant evening. Proceeds \$50.75.  
A hearty vote of thanks is extended  
to all who helped us with this enter-  
tainment most particularly Miss Ina  
Armour who came all the way from  
home to help us out. "The bonnie  
Scotch lassie."

On behalf of the "Ladies Aid Soci-  
ety" I wish to thank all who respon-  
ded so quickly and gladly to our  
church call "The Apron Campaign."  
Mrs. Robt. Morrison, Pres.

The regular monthly meeting of the  
Ribstone Women's Institute will take  
place on a picnic, July 1st and will be  
held at the home of Mrs. M. Mc  
Creels. All members are requested to  
attend this meeting and bring their

husbands and a friend. Subject—  
"Dainty Supper Dishes for the Hot  
Weather." Members are requested to  
bring their receipts on paper, read  
them out in answer to their name at  
roll call; then hand them to the se-  
cretary for publication.

A prize will be given for best recit-  
ation. Children 10 to 12 years, and 12  
to 15 years. Don't forget the date—  
Saturday, July 1st at 2.30 p.m.  
Everybody welcome.

## Brain Cannot Be Overworked

Don't be afraid of overworking the  
brain; you can't do it. You can't  
think too much.

"The more the mind does," says a  
prominent medical authority, "the  
more it can do."

Another well-known doctor said re-  
cently:

"In all my practice as a physician  
dealing with nervous and mental dis-  
eases, I can say without hesitation  
that I have not a single case of nerv-  
ous or mental trouble caused by too  
much thinking or overstudy. What  
produces mental trouble is worry,  
emotional excitement, or lack of in-  
terest in one's work."

So there is no need to be afraid.  
The more you think, study, or plan,  
the better it is for you, because you  
are training your mental powers. You  
cannot overwork the brain as long as  
you keep it healthy with outdoor ex-  
ercise whenever possible. Then it will  
recuperate of its own account.

It is worry that destroys the brain  
—worry, fear, bad feelings, and men-  
tal idleness.

Johnson: "Bright lights cause the  
eyes to narrow."

Jackson: "They have the same ef-  
fect on a roll of banknotes."

A pigeon can fly at a rate of fifty  
miles an hour when the wind is not  
against it.

Pushball, played by teams consist-  
ing of three motor cars a side, is  
America's latest thrill.

Blowing white dust down mine tun-  
nels to increase the illumination is  
the latest scientific aid against  
"miner's blindness."

Howell: "The throwing of rice at  
weddings is denounced as a dangerous  
custom."

Powell: "But surely one additional  
danger at a wedding is hardly worth  
remembering."

"Father: 'Helen, isn't it about time  
you were entertaining the prospect of  
matrimony?'"

Daughter: "Not quite, father. He  
doesn't call until eight o'clock."

Food prices in South Africa are  
only 19 per cent above those of July  
1914; and in the United States the in-  
crease is 36, in Australia 40, and in  
Canada 42 per cent.

Walters: "A furrier generally  
clothes your wife by skinning you."

Edgar: "Yes, that is so!"

"Here is a furrier who has put up  
a sign over his shop which reads as  
follows: 'Garments made with your  
skin or our skin.'"

Ada: "Which do you think is the  
best time for a girl to be engaged?"

Arthur: "I should say just before  
she is married."

"My dear girl," said the young wife's  
mother-in-law, "any woman would be  
satisfied with what Frank says he  
gives you!" Daughter-in-law: "So  
would I."

An old lady attended a lecture on  
physiology. At the close of his ad-  
dress the lecturer invited questions  
from his audience.

The old lady arose.

"I should be much obliged," she  
said, "if the lecturer would tell me  
whether the brain that he called the  
'cerebellum' is inside the head or  
outside."

"Kresko Kills Kooties" use it on your  
stock, use it for disinfecting stables  
and hen houses, use it in outhouses.  
use it for a healing wash for sores.  
Price \$1.00 per imperial quart.

## Meditations By Manitou Lake

Contributed

Most of us especially those from the Old Sod, are deeply imbued with all that is ancient.—Customs, beliefs, and buildings of different degrees of antiquity are of lively interest to us and the more hoary with age they may be, the more deeply interesting they are to us. We live in a new country, that is, new to us, painfully new in this west country and so far as the white race is concerned its history has yet to be made. But we have started in at the making. Anything a year old out here is old and the war is ancient history, though we are just beginning to feel the effects of it.

We have an event in this neighborhood which occurs annually and has flourished with unflinching regularity since the first pioneer days, and we must see that in the future it continues to flourish, for it is now an old custom. It is the picnic held every first of July on the shores of Manitou Lake.

I have strolled from the Narrows Bridge, through the woods and along the shore till I reached the grounds. Pleading as the walk is the grounds themselves are delightful. Nature has excelled herself in the fashioning of a spot perfectly adapted for its purpose, and this natural play ground is set in the midst of such charming vistas of land and water escape that one would have to travel far to find a rival to its loveliness.

Years ago when it has been our lot to watch the happy children at their sports on this their one great day of the year, and the bigger children at their play, kicking the football or aspiring to hit a home run. Yes, we all went, some walked, some rode, family men in wagons with here and there a buggy driven by some gay young bachelor, and family men with oxen drawing perchance the humble stone boat, and these men will boast of their primitive gear today and tell you they had the time of their lives. And the dances at the Cliffs and Brady afterwards, they are but memories but we joy in those memories today, and we begin to feel old but are content.

At this present we still attend the picnic and people still have a happy time though the old has given place

to the place of the stately wagon and those parents, some of them are grand parents and some of those happy boys and girls of yester year are now grown, and justly proud, of their boys and smiling girls of their own, bringing them in their turn to spend the day of the year at the Manitou Lake Picnic.

Long may this old custom continue and may it never lack the support of those who spent their happy hours at the Lake on the first of July in years gone by.

## Pound Notice

To whom the same may concern.

## SAKER'S CAFE

Next Bank of Montreal

Having remodelled our premises we now have the most pleasant and up to date ice cream parlor in town. The parlor is entirely separate from our other business which affords one a feeling of privacy and restfulness at all times. As well as the four-seated tables we have installed some 'Kosy Korners' which afford a desirable rendezvous for small parties.

We are equipped to supply your needs whether it is ice cream, ice cream sodas or ice cold drinks and solicit your patronage.

Large assortment of fresh fruits on hand always.

## NEVER BEFORE IN THE HISTORY OF THE LUMBER INDUSTRY

has there been such a demand for Canadian lumber as there is this year. Prices cannot come down while there is every indication that they will go higher. Not only this year of stock, but the securing of material has become a great factor this year and unless there is a change in conditions, it will be almost impossible to secure lumber at any price within the next few months.

Our buyers foresee a shortage of lumber and months ago placed large orders for stock. This stock is arriving daily and is the best money could buy. Our purchases were made under favorable market conditions which enables us to offer this stock to our customers at a price that will mean a great saving.

If you are going to need any lumber this year we would strongly advise your inspecting this stock and getting our prices, for we know that we can save you money on your requirements. All we ask is a chance to prove to you that as far as price, quality and satisfaction are concerned we are in a class by ourselves.
